About Us

Spreading Sweetness & Happiness

Incepted in 2014, A.M. Industries aspires to take our brands Rumani and Candyfun national and delight customers all over India with our exceptional taste and quality. We want to become the preferred choice for every sweet tooth in the country and be recognized as the brand for the finest collections of confectionery products.

During our initial years, we set up our manufacturing plant in Indore wherein we were producing hard-boiled sugar candies. Over the years, we have developed a highly diversified product range that is loved by our customers across all age groups. Today, A.M. industries is a household name, known as a leading 'Quality Manufacturer' in the Indian confectionery industry.

As we move forward, we're highly focused on launching innovative products and leveraging our long-standing relationships with partners, distributors and customers. We hope everyone continues to celebrate big and small occasions with Rumani and Candyfun, everyday!
